

Student Guide for Pre-Assigned Breakout Rooms in Zoom

Pre-assigned breakout rooms allows instructors to put you into pre-assigned groups for breakout rooms during Zoom class sessions. Below are instructions to help you get logged in so that the pre-assigned breakout rooms will work for the instructors.

Step 1: Activate your Zoom account at go.udayton.edu/zoom

Using Chrome or Firefox (NOT SAFARI), you should log in at go.udayton.edu/zoom in order to get a licensed UD Zoom account. A licensed account is a requirement for pre-assigned breakout rooms.

You may be prompted to switch your Zoom accounts. Please go ahead and switch accounts.

Step 2: Log in at go.udayton.edu/zoom before **every** class session

If your instructor is using pre-assigned breakout rooms, you should log in at go.udayton.edu/zoom prior to **every** class session.

Step 3: Log in to Isidore at isidore.udayton.edu to launch your class session

1. Open a new tab in the same browser you used to log in to Zoom
2. Navigate to isidore.udayton.edu and sign in
